Bwrlwm (bubbling)

A great pair of tunes! These feature in Keith Lewis' Pibgorn Tunebook - Tunes for the Pibgorn, Welsh Bagpipe and Conrniacyll in d. Definitely worth tracking down a copy if you don't have it already. Both tunes are played on John Tose's album Cerrig Dymuniad, albeit not together as a set. It's a great album. Tune drone to E.
