

Gwynt o'r Glan (Wind from the shore)

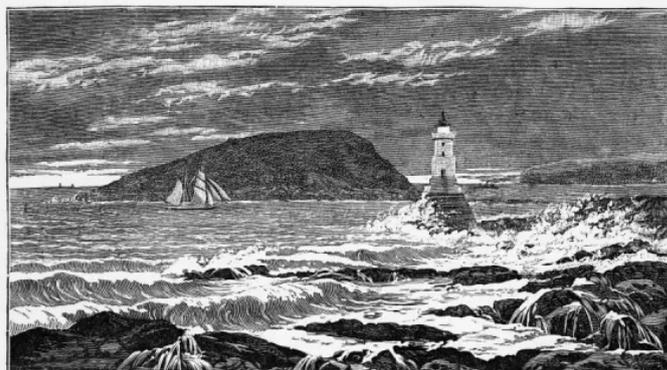

Blowout 2025 Welsh Bagpipes Session

Trad

I got this tune at the *Ffiadil Fawr* last year. *Ffiadil Fawr* is an annual gathering of string players run by the Welsh 'Chamber folk' band *Vrii*. If you play fiddle, viola or cello it's definitely worth going. They said they had got the tune from Welsh piper *Peni Ediker*...so I knew I had to try it on my pipes when I got back. Try some rolls on those long F# notes.

Tune the drone to E.
